EDUCATION

*Bachelor of Mechanical
Engineering Degree,
Sriwijaya University
2018-2022 with
Cumlaude Predicate
GPA 3.80/4.00*

Final project title:

“Exergy Analysis on Lumut
Balai Geothermal Power Plant
Performance Enhancement
with Single Flash-Binary
Combination Cycle”.

OBJECTIVE

To enhance my skills by taking on the challenging position to showcase my knowledge and contribute to deliver the company's goal.

SUMMARY

A **cumlaude** bachelor of mechanical engineering degree with bright personality and **eager to learn** new things. Equipped with goals, **excels in communication**, and good critical thinking person. **Seeking a challenging** and varied experiences will enable me to expanding my knowledge and broaden my horizons for personal and professional growth. I have **experience in internship program** and **active in organization** during college.

INTERNSHIP EXPERIENCE

PT. Pertamina Geothermal Energy – Muara Enim, Indonesia

July to August, 2021, as **Mechanical Engineer Intern Staff**

- Analyzed geothermal power plant performance by using an exergy analysis in design and actual condition.
- Developed an idea to improve geothermal power plant performance by adding a binary cycle.

Pupuk Sriwidjaja – Palembang, Indonesia

March to April 2021 as **Intern Staff of Mechanical Department**

- Analyzed the thermal efficiency of the boiler in actual condition.

ORGANIZATION EXPERIENCE

Mechanical Student Association in Mechanical Engineering Department of Sriwijaya University (2021 – 2022), as Head of Academic Division

- Responsible for making programs to building scientific attitudes of Mechanical Engineering students and developing soft skills related to students academic.
- Created a committee structure for each event.
- Created a Terms of Reference (TOR), rundown, or document for event purposes with events committee.
- Supervised every event until it's finished.
- Collaborated with other departments to make successful events.
- Successfully held eleven bidding events.
- Evaluated performance and productivity of staff.
- Led a department with twelve staff.

Mechanical Student Association in Mechanical Engineering Department of Sriwijaya University (2020 – 2021) as Staff of Campus Advocacy Department

- Convey aspirations to Student Executive Board Engineering Faculty, Department of Mechanical Engineering, and Dean of Engineering Faculty.
- Assisted in preparing Terms of Reference (TOR), rundown, or document for event purposes.
